## Pre-Terminated Female/Female MPO SCP-EasyFiber™ Ultra-Bendable Optical Fiber Channel Cable

SCP-EasyFiber™ MPO patch cables are a premium ultra-bendable and laser-optimized OM3 multimode fiber designed to withstand tight bends and challenging cable routes with substantially less signal loss. Our Female/Female MPO fiber patch cables (polarity A) are the primary point-to-point channel cable for the 998-DO-EXT solution. The MPO female ends connect to both source/sink 998-DO dongles.
