

EU DECLARATION OF CONFORMITY
Packaging and Packaging Waste Regulation (EU) 2025/40

We, SimplyBrands-SCP, hereby declare under our sole responsibility that the packaging used for the delivery of SimplyBrands-SCP Connectivity Products and related materials is designed in accordance with the principles of Regulation (EU)2025/40 on Packaging and Packaging Waste (PPWR) regulated by the European Union.

Description of Packaging

Polybag, Gift Box, Inner Box, Corrugated Carton, Label, Wrapping Strip, Sealing Tape, Pallet

Compliance with the Requirements of Regulation (EU) 2025/40:

Essential Requirements:

The original primary packaging of the declared device complies with the essential requirements concerning composition, recyclability, reusability, and the minimization of environmental impact as defined in Regulation.

Heavy Metal Restrictions: The concentration levels of heavy metals (lead, cadmium, mercury, and hexavalent chromium) in the packaging materials do not exceed the permitted threshold values specified in Article 5 of the Regulation, i.e. $\leq 100\text{ppm}$.

Waste Management: Measures have been implemented to support the reuse, recycling, and environmentally sound management of packaging waste in accordance with the obligations of the Regulation.

The conformity is demonstrated according to Annex XVII of regulation EU/2025/40.

Our company continuously monitors regulatory developments and will ensure full compliance with the PPWR requirements once the regulation becomes fully applicable.
