

24 PORT PROSERIES UNLOADED UTP KEYSTONE PATCH PANEL, REMOVABLE FACE PLATE, 1RU, CABLE MANAGEMENT BRACKET, CABLE TIES AND RACK SCREWS.

PART#: **S45-2024UP**

PRODUCT SUMMARY

Detachable Front Panels for Quick Installation & Easy Access. There is no need to remove the entire panel. Our front-loadable design makes your life easier.

Simply45 Unloaded Keystone Modular Patch Panels allow you to easily customize your network panel in the field. This allows you to maximize the use of panel space with multiple configuration options for copper, fiber, and multimedia keystone modules.

Mounts to any 19inch rack, cabinet, or wall bracket. Includes rear cable management bar; port labels; and mounting hardware. 10GBaseT and backward compliant.

RoHS
